

National Singles Tennis Championship Tourney Opens

OVER 100 OF WORLD'S BEST NETMEN ENTERED

PHILADELPHIA, September 9.—With the weather fair, and barometric readings inspiring optimism that it would continue so throughout the day, more than a hundred of the world's best tennis players were gathered at the Germantown Cricket Club this morning for the United States national lawn tennis singles championship tournament.

The honor of opening the meeting was awarded to William T. Tilden, 24, holder of the world and United States titles, who was scheduled to take one of the championship courts at noon against Irving Wright, veteran of many tournaments and brother of Beals C. Wright, former national champion.

The seating capacity of the stands, about 11,000, was virtually sold out for the day, and the big gallery assembled long before play began.

Sixteen other matches were scheduled at noon, but as indications were that they would prove more or less easy victories for the stars of greater magnitude involved—Howard K. Kiersey, Wallace F. Johnson, Willis Davis, C. V. Todd of Australia, and Phil Neer—they were placed on outside courts.

Watson M. Washburn of New York, Davis cup team member, was to meet A. D. Thayer of Philadelphia at 2 o'clock on one of the championship courts, while on another J. O. Anderson of Australia was to meet Lawrence Rice of Boston.

Ichiya Kumagae is ill. At 4 o'clock two matches were arranged for the enclosure because of the withdrawal yesterday of Ichiya Kumagae, the Japanese star, who had been matched against George Voshell of New York. Upon learning that Kumagae's physician had ordered him to New Hampshire because of severe attack of hay fever, the club officials decided to place the matches between William M. Johnston of California, runner-up last year and twice national champion, and Hugh Kelleher of New York, and that between P. Gordon Lowe, veteran of the British Davis team, and J. L. Werner of Princeton University, playing from St. Louis, on the center courts at that hour.

Three Others Withdraw. Three other withdrawals were announced today. They were R. Lindley Murray, Niagara Falls, who ranked number 1 in 1918; Charles C. Garland, Pittsburgh, who was placed No. 3, for the last three years by the national ranking committee, and Harold Ingersoll, Chicago, Murray was to have played Hugh Kelleher, but he was unable to appear in the Canadian championship tournament.

Woman golfers now are playing a championship tournament. The first flight of eight, who went into nine-hole elimination matches.

British Pros Beaten. KANSAS CITY, September 9.—Chick Evans, United States amateur champion, and Bob MacDonald, metropolitan champion, defeated George Duncan and Mac Mitchell, British professionals, 2 up and 1, in an exhibition golf match here today. The American players gained a lead in the morning play, which ended with the Americans 2 up.

Duncan and Mitchell are scheduled to appear at Columbus, Ohio, in a foursome September 14, paired against Jim Barnes, New York, and George Sargent, Columbus, at the Columbus Scioto Club.

WILL INVESTIGATE RACE. HARTFORD, Conn., September 9.—Lewis Sperry, Hartford lawyer, has been engaged by the executive committee of the Connecticut Fair Association to conduct an investigation of the race between Single G and Peter Manning held at Charter Oak Park last Tuesday. Pending the inquiry, the \$2,500 stake of the purse due to W. B. Barford, winner of Single G, the winner will be withheld.

Another Swim Record. NEW YORK, September 9.—A world 220-yard free style swimming record for women was made last night by Bas Charlotte Boyle of the New York Women's Swimming Association, in Madison Square Garden. She won the Metropolitan A. C. championship for the distance in 2 minutes 21.5 seconds, clipping three-fifths of a second from the previous world record.

C. U. TO PLAY FORDHAM; 14 VETERANS DUE BACK

BY H. C. BYRD.

CATHOLIC UNIVERSITY practically has closed with Fordham for October 8, the only open date it had on its football schedule. The contest will be played at Fordham, if negotiations for it are concluded as expected. A wire from Fordham yesterday informed Athletic Director Moran of Catholic University to consider the date closed, but there is a matter of guarantee yet to be adjusted. Catholic University originally had a game scheduled with the Hampton Roads Naval Training Base, but it was canceled.

When the Brookland school takes the field next week, Wednesday, September 14, it will have back in its squad fourteen members of last year's outfit. They are Eberts, center; Keeler, guard; Voor, tackle; Leghorn, guard; May, tackle; Brennan, tackle; Corwin, end; Lynch, end; DeNault, halfback; Carrin, fullback; Taylor, guard; Mahoney, guard; Fasse, quarterback, and Freney, halfback.

Corwin and Lynch played the end positions on the 1920 eleven regularly, and it would have been hard to find two more capable men in the section. The other linemen, particularly Voor and Brennan, were heavy and capable, and still are. De Nault and Fasse of the backs are especially clever.

Of the new men expected Fasse, a brother of the quarterback of last season; Emery, Yeager, McKeon, Kerrigan, McNaney, Connell and Deer Park, Md., according to advices received here today.

Charley Moran was in conference with Phil Robb, who is to coach the squad again, yesterday, and plans for the season were discussed. Both men anticipate good results and say that they will bend their main efforts toward sending the University of Maryland down to defeat on November 12.

Busy at College Park. Seven George Washington University football players reported for practice yesterday at the University of Maryland field, and more are expected to arrive today. Twenty-four men from Delaware College came in this morning, and when the full squads of Maryland and George Washington get on the field by Friday the gridiron out there will be fairly alive with players. Delaware plans to keep its squad at College Park until September 20, and George Washington will work out there until it leaves to go to Charlottesville October 1 for the opening game with Virginia.

It is reported that Conard, star athlete at Western High for the last two years, will enter George Washington. Conley, who played guard for Boston College two seasons ago, was with the Hatchette squad yesterday. Bryan Morse, coach of the downtown school, says that he has within the university many experienced players, if he can only so arrange things that they can find time to come out for practice.
